

This index is not comprehensive in coverage. It may also contain errors or duplications. Therefore, we will continue to edit and add content to this list. If you cannot locate a particular individual with a confirmed date-of-death, please contact the James E. Casto Local History Room for assistance.

"CHILD OF" names have been researched using the West Virginia Vital Research Records Index. These names may not appear in the actual obituary but have been added to assist in identification.
