HUNTINGTON HIGH

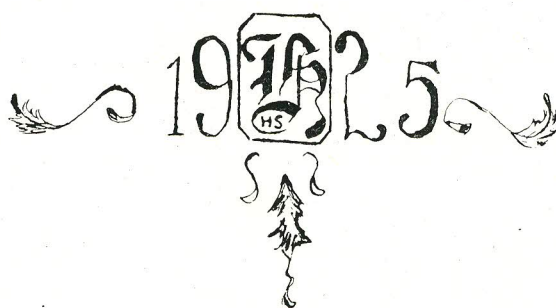

We'll soon be leaving Huntington High
And with the thought there comes a sigh,
For happy days have we spent here
And friendships many we hold dear.
All too soon we'll be leaving you,
And on to college we'll pursue
Some lifelong study we like best,
Some will be sure to make a success.
While others too, perhaps will fail,
Nevertheless, where e'er we sail,
We'll think of friends in years gone by,
We made in dear old Huntington High.
